

### **REMARKS**

Claim 4 was inadvertently cancelled in the Examiner's Amendment while claim 6 remains pending in the subject application. Because the subject matter from claim 6 was incorporated into independent claim 1, as agreed to in a telephonic interview between the Applicant's representative and Examiner Chen on May 14, 2008, claim 6 should be listed as cancelled while claim 4 should remain pending and be allowed.

### **CONCLUSION**

For at least the reasons stated above, the proposed amendment should be entered and withdrawal of the pending rejection to claim 4 should be performed. If any issues remain that would prevent issuance of this application, the Examiner is urged to contact the undersigned – 816-474-6550 or btabor@shb.com (such communication via email is herein expressly granted) – to resolve the same. It is believed that no fee is due, however, the Commissioner is hereby authorized to charge any amount required to Deposit Account No. 19-2112, referencing attorney docket number MFCP.140192.

Respectfully submitted,
